

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

---

*Spring 2013 Workshop & Seminar Series*

**"Mechanisms of exercise-induced pain and analgesia"**

**Kathleen Sluka, P.T., Ph.D.**

Professor of Physical Therapy and Rehabilitation Science  
University of Iowa

*Molecular & Cellular Biology Faculty Candidate*

**"A microRNA network regulates expression and biosynthesis of CFTR"**

**Paul McCray, M.D.**

Professor of Pediatrics, Microbiology, and Internal Medicine  
University of Iowa

*Molecular & Cellular Biology Faculty Candidate*

**Thursday, January 31  
4:00-5:00 p.m., 1289 CBRB**
